

A Letter from the Viewline

Greetings from the Viewline Resort Snowmass!

Last October, the CAR Fall Forum was held in Snowmass Village at the Viewline Resort. A number of you that attended may have left the event disappointed in the resort and the destination. It is disheartening to know that last year's poor experience has some attendees questioning whether to attend again the event this fall. We at the Viewline would like to apologize and humbly ask you to continue to support the Fall Forum and give Snowmass and the Viewline another chance to provide a great event.

Please know that your feedback was turned into action. Here at the Viewline, we made changes in senior leadership to ensure the mishaps never happen again. We are committed to doing everything possible to offer everyone a variety of dining options while in town. At the Viewline, we will activate all four of our outlets with multiple cuisine choices. We will do our best to bring in food trucks as additional lunch options. We will communicate – prior to arrival – what dining is open in Snowmass and Aspen during the event dates of October 8-11 so that you can make dinner plans in advance.

We are committed to doing everything possible to provide a fun and enjoyable atmosphere for the 2023 Fall Forum and look forward to welcoming everyone back to Snowmass Village.

*Sincerely,
Rudy Sharp, General Manager
