# Join the 2024 Legislative Policy Committee (LPC)

If real estate is your profession, politics is your business.

Are you passionate about affordable and attainable housing issues?

Have you ever thought about how public policy affects your work?

Are you interested in joining other REALTORS® to help shape political advocacy for homeownership and protecting private property rights?

If you're interested in politics and government, then the Colorado Association of REALTORS® Legislative Policy Committee is your opportunity to represent REALTORS® at the state level of government. CAR members represent a multitude of subsets in the real estate industry and we aim to engage different perspectives and experiences for our political process.

## Legislative Policy Committee Responsibilities:

- Participate in an LPC orientation on Colorado's political process, our internal position-taking process and likely issues facing REALTORS® in the upcoming legislative session.
- Commit to serving on the LPC for 1 year.
- Determine official CAR positions on legislation proposed by the Colorado General Assembly.
- Review and discuss legislation on behalf of thousands of members across the state to reach positions aligned with CAR's mission.
- Explore and suggest amendments to improve legislation.
- During the legislative session between January and mid-May, meet once a week for at least one hour in

one of five subcommittees divided by policy subtopic.

- Meet bi-weekly with the entire LPC committee during the Legislative Session.
- The current LPC subcommittees are: Housing, Land Use, Water, Regulatory, and Business and Taxation.
- Engage with CAR's Government Affairs Division staff and lobbyists.
