

Colorado Young Professionals Network (CYPN) Report

April 2024

The CYPN Workgroup supports seven local Young Professional Network chapters across the state. Each YPN Chapter aims to strengthen the younger generation of professionals by encouraging growth and creating connections. This is achieved through monthly meetings, events, and professional development opportunities.

The CYPN workgroup is responsible for connecting Chairs from each of the eleven chapters across Colorado each month via a conference call to offer support and feedback and to brainstorm different ways the YPN chapters can achieve their goal of strengthening the younger generation in their networks.

2024 Key Endeavors

Strategic Planning:

CYPN is building a strategic plan to implement for the next three years. We will be looking at who CYPN should be serving, and what that will look like. We are excited to take this time to ensure we are supporting our young professionals and networks across the State.

Member Engagement:

The CYPN Gus Williams Award will be expanded to accept applicants from all REALTOR® members, regardless of whether they belong to a local association that has a YPN. The award application will open May 1 – June 15. We are looking forward to connecting with and honoring our young professional REALTOR® members from across the State.

Respectfully submitted,

Daniel Muldoon
2024 Colorado Young Professional Network Chair
