

PLEDGE FOR YOUR INDUSTRY AND YOUR CLIENTS

HOW?

Creating a pledge is the first step to becoming an RPAC Major Investor. It confirms your intent, ensures proper recognition, and allows you to invest over time, with automatic recognition as an RPAC Major Investor once you complete.

Pledges must be taken seriously. Only create your pledge if you fully intend to fulfill it this year. Failing to complete your investment negatively impacts your local and state association's RPAC goals and consequently our ability to advocate for REALTORS®.

- Sustaining levels apply only to Crystal R and above.
- If your Major Investor pledge is not completed by December 2026, it will reset and a new pledge will be required.
- If a sustaining level is not met each year, the full level amount must be met again before sustaining levels apply the following year.
- 70% of your investment stays in Colorado to advocate for public policies that impact your business and everyone who sells or buys a home.
- 30% goes to the National Association of REALTORS® to work on your behalf with federal legislation and issues.
