2. So far coordinating with the Presidents and AEs in my district have been challenge free. I am meeting with the Presidents, and the Metro District VP elect regularly to plan our events.

3. On February 13, 2026, we had a sold-out Metro District event featuring Senator Hickenlooper and AJ Perez from NAR. We sold out in one day and one morning with many on the waiting list. I co-sponsored the event with Ron Thorne who is the political liaison for Senator Hickenlooper. It was a morning event with lunch in between speakers.

We plan to have our Master Mind series finish out the year with speakers once a quarter culminating with candidates for governor in September.
