BOLO:

Greeley:

EVBOR:

- May 1: Bowl-a-Thon – supports scholarships for graduating seniors.
- YPN panel April 23 from 11:30-1

2. Challenges: we have been unsuccessful in scheduling a leadership lunch between the different locals. This was something that the incoming presidents had said was important to them and availability has proven difficult this first quarter. Limited response or feedback from a couple of associations

3. Successes: Invites to LBAR and FCBOR events and meetings has been great and my attendance well received with positive feedback from both members and leadership.
